

AlabamaLionsSight

**“Alone we can do so little.
Together we can do so much.”**
-Helen Keller

**In 1925 Helen Keller challenged
Lions everywhere to become
Knights of the Blind.**

**Alabama Lions were one of the
first to answer that challenge by
forming Alabama Lions Sight
Conservation Association.**

**Since 1944 Alabama
Lions Sight has helped more
than 300,000 people
throughout Alabama.**

Who We Are, What We Do

Right now, there may be someone in your community who is going blind, but won't seek help for lack of money and insurance. That's where the Lions of Alabama step in.

For more than 70 years, the Lions Clubs of Alabama and partners have been saving sight through Alabama Lions Sight Conservation Association, a 501(c)(3) nonprofit organization.

Alabama Lions Sight funds medically necessary eye care for eligible individuals and provides vision screenings for thousands of children and adults every year.

Our Mission

To promote sight conservation through research, education, detection and treatment.
